## 2021 Lodging and Meals

Contact Guest Services to reserve:  
(920) 294-7250 or [GuestGroups@glcc.org](mailto:GuestGroups@glcc.org)

### HOTELS

We have five hotels/lodges that, when full, can accommodate almost 700 people in 220 rooms!

Because we are a reflective retreat center, our rooms do not have TVs in them. However, we provide TVs in hotel lounges to watch a program together, and we have high speed Internet for streaming on your device in your room.

We are certified 'green' by the Wisconsin Department of Tourism and to reduce waste we do not place shampoo and conditioner in rooms. We encourage you to bring your own shampoo, conditioner and hair dryer; we are happy to provide them at the front desk if it is impossible or impractical for you to bring them.

**BAUER LODGE** (pictured above) has 64 rooms and suites, many with a lake view. Rooms accommodate 1 to 4 people and the two-room suites accommodate 1 to 6 people. Suites have a bedroom and a sitting room with microwave, refrigerator and coffee maker. On the 1st floor there is one large meeting room and four smaller meeting rooms. There is a lounge with fireplace, TV, microwave, refrigerator and coffee on the 2nd and 3rd floors.

---

**KERN LODGE** has 57 rooms, many with a lake view. Most rooms accommodate 1 to 4 people each. Family rooms include a queen, a single and a bunk bed and accommodate 5 people each. There is one large meeting room and six smaller meeting rooms on the first floor. There is a lounge with a fireplace, TV, microwave, refrigerator and coffee on the 2nd and 3rd floors.
